Just when you think [Super Why](#) is one of the best [shows for preschoolers](#) there is, it gets even better! The Super Readers have a furry new friend. His name is Woofster and he has Dictionary Power.

A talking puppy, Woofster joins the other Super Readers -- Alpha Pig with alphabet power, Wonder Red with word power, Super Why with the power to read, and Princess Presto with spelling power. Woofster's dictionary power comes in super handy when the Readers find a word but don't know what it means. woofster looks up the word in his Doggy Dictionary and explains the meaning to everyone.
